

IKRAM · PRIMARY LOGO

The final lockup — refined hand calligraphy with letter-spaced Latin, no ornament.

CONSTRUCTION

Arabic mark sits above; Latin "IKRAM" is set in Jost, uppercase, ~0.5em tracking, centered, at roughly one-third the mark's width.

CLEAR SPACE

Keep margin equal to the height of the Latin "IKRAM" on all sides. Never crowd with other elements.

MINIMUM SIZE

Don't render the full lockup below ~120px wide. Below that, use the Arabic mark alone (app icon).
